

INVITATION :

CATCHING THE INDIAN TIGER & CELEBRATING DIWALI

Date : Tuesday, October 24th 2017

Venue : Deloitte, Gateway Building , Luchthaven Nationaal 1 J, 1930 Zaventem

Dear Madam,
Dear Sir,

2017 is a very special year for the relations between India and Belgium as we celebrate 70 years of diplomatic relations with India. The highlight of these celebrations will be the state visit of King Philippe and Queen Mathilde to India early November 2017.

During these 70 years we have seen a spectacular evolution in India with dramatic economic, social and political changes. The Modi Government showed a new dynamism in the Indian economy, the General Sales Tax implementation is just an example. The reforms of the last years have paid off and resulted in an unprecedented economic growth. How can Belgian companies take part in this succes story ? What are the needs in India and how can our companies contribute to meet them.

This seminar aims to target a broad range of companies from small and medium-sized enterprises to multinationals, already active in India or seeking for information to do their first steps in India.
