

During the State visit to India FIT organised a visit to Chhatrapati Shivaji Maharaj Terminus (CSMT) formerly known as Victoria Terminus. CSMT is a UNESCO World Heritage Site and Headquarters of Central Railways, combined with an informal meeting with Indian Rail top management.

The visit also focuses on establishing contact with the Indian Railways which is the world's 3rd largest Rail network and 8th largest employer.

The Central and Western Rail have had collaborations with Televic for installation and supply of passenger information system for all trains operating in the metropolitan area of Mumbai."
