## INVITATION

### SEMINAR : INDIA & MOBILE TALENT

Date : Friday March 1<sup>st</sup>

Venue : HUB, Hermes Bldg, Auditorium 2<sup>nd</sup> floor , Stormstraat 2, 1000 Brussels

---

Dear Madam,  
Dear Sir,

Globalisation in general and the growing shortage of talents in the post baby-boom era in our developed world enhances international mobility. In the development of the business between Belgium and India we see a growing interest towards the mobility of talents, not only in the industrial world but in the accademic world as well. This process can be challenging and a number of barriers are to be lowered.

Nowadays a variety of services are being offered in different disciplines such as : search & selection, recruitment, human resources support, legal advice, cultural integration, consultancy, relocation, visa support etc.

**Services India Vademecum:** We received requests from different organizations to take the floor. In order to respond to these requests we will allow a substantial time for interactivity.

For this occasion BICC&I will also issue a Services India Vademecum. Therefore we invite the interested participants to send an A5 company profile/CV with their services offered.

In order to prepare properly can we ask you to submit the info before 23 February.
