

INVITATION

CATCHING THE INDIAN TIGER 2014 CELEBRATING DIWALI

Date : Tuesday October 21st

Venue : BNP Paribas Fortis, Auditorium Marais, Kreupelenstraat/rue des Boiteux 12, 1000 Brussels

Dear Madam,
Dear Sir,

In May 2014 India organised the largest democratic elections ever.

With the lowest growth figures in decades, there was a huge challenge to reverse this trend and create a new momentum for growth; India has to grow at high rates in the coming decades and create jobs for its young population.

That's why the new Prime Minister H.E. Mr. Narendra Modi has made the development of a robust manufacturing sector in India one of his first priorities for the country and has started a vast campaign "Make in India". A number of measures have already been taken, such as the creation of a new "National Industrial Corridor Development Authority", work on 5 new smart cities, and liberalization of the FDI policy in various sectors. And more actions will follow to encourage investors to come and "make in India".

This seminar aims to target a broad range of companies from small and medium-sized enterprises to multinationals, already active in India or seeking for information to do their first steps in India.
