Globalization and digitalization have radically changed the dynamics of doing business and led to an increasing trend of shared economies and the evolution of digitized business models. Such changing business dynamics have resulted in a sea of transformational changes in the tax landscape in India, significantly impacting the way in which organizations operate there. Over the last couple of years, the Indian tax ecosystem has witnessed some critical advancements in the scope and pace of legislative tax changes.

Such rapid changes in the Indian tax landscape tend to have an impact on Belgian corporates that have, or plan to have, business operations in India. To share some insightful perspectives on the subtle nuances of the changes in tax environment, we are pleased to invite you for a live interactive session on key corporate and transfer pricing developments in India.

Join us for our webinar on **Wednesday 16, June 2021 at 10:00**, when **Lavina Bansal, Senior Manager – Global Transfer Pricing Services, KPMG, Belgium** together with **Chartered Accountants - Nidhi Maheshwari and Hasnain Shroff, from India** would join us for an interactive session along with our special invitee **H.E. Mr. Santosh Jha, Ambassador of India to Belgium, Luxembourg and European Union**, who has graciously accepted to share insights into the key Government initiatives and developments in India-EU business relations.
