Dear Madam,
Dear Sir,

2015 has been a very turbulent year, and many countries are struggling with disappointing growth figures. But not India, the policy reforms of Premier Narendra Modi have made the country nr. 1 in growth. We only need to look at the increased investments in various sectors such as infrastructure, renewable energy and manufacturing to see the huge opportunities for Belgian companies willing to go for it. Our Program for this evening : why do we have to look at India, how can we enter this market and to conclude an inspiring company testimonial.

This seminar aims to target a broad range of companies from small and medium-sized enterprises to multinationals, already active in India or seeking for information to do their first steps in India.
